Cramlington Precision Forge Limited

(Incorporated in United Kingdom)

ANNUAL REPORT

for the year ended March 31, 2024

TRANSLATED FINANCIAL STATEMENTS

Independent Practitioners' Report

To the Board of Directors of Cramlington Precision Forge Limited, United Kingdom.

Report on the Special Purpose Fit-For-Consolidation Financial Statements

Opinion

We have examined the accompanying special purpose fit-for-consolidation financial statements of **Cramlington Precision Forge Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the special purpose fit-for-consolidation financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, and read together with the Practitioner's Responsibilities for the Examination of the Special Purpose Fit-For-Consolidation Financial Statements, given in this report, the aforesaid special purpose fit-for-consolidation financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our procedures in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India. Our responsibilities are further described in the 'Practitioner's Responsibilities for the Examination of the Special Purpose Fit-For-Consolidation Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our examination of the special purpose fit-for-consolidation financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the special purpose fit-for-consolidation financial

Management's Responsibility for the Special Purpose Fit-For-Consolidation Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation

of these special purpose fit-for-consolidation financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the special purpose fit-for- consolidation financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the special purpose fit-for-consolidation financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Practitioner's Responsibilities for the Examination of the Special Purpose Fit-For-Consolidation Financial Statements

Our responsibility is to express an opinion on the accompanying special purpose fit-for-consolidation financial statements of the Company based on our procedures as mentioned below.

The financial statements of the Company for the year ended March 31, 2024, has been prepared under UK GAAP and in compliance with the Group accounting policies. The auditors of the Company KNAV Chartered Accountants vide their email dated 3rd May 2024 to has confirmed the final financial statements of the Company to Sundaram Fasteners Limited, the holding company. The auditors are yet to issue the signed financial statements and auditors report and hence we have relied on the email confirmation provided by the auditors to Sundaram Fasteners Limited for the purpose of verifying the fit for consolidation financial statements. We have not conducted any audit and have performed the following procedures:

 Obtained and read the financial statements of the Company prepared under UK GAAP and Group accounting policies and the email confirmation provide by the auditors of the Company M/S KNAV vide their email dated May 3, 2024;

TRANSLATED FINANCIAL STATEMENTS

- Examined the translated financial statements prepared under British pound sterling (GBP), the functional currency of the Company to Indian National Rupee (INR)as per procedures stipulated by the group accounting policy of Sundaram Fasteners Limited;
- iii) Examined the compliance of the special purpose fit-forconsolidation financial statements with the group accounting policies of Sundaram Fasteners Limited.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Other Matter

The accompanying special purpose fit-for-consolidation financial statements of the Company has been prepared for purposes of providing information to Sundram Fasteners Limited to enable it to prepare its consolidated financial statements. As a result, the special purpose fit-for-consolidation financial statements of the Company may not be suitable for another purpose.

Notes to financial statements for the year ended March 31, 2024

1 Corporate Information

Cramlington Precision Forge Limited ("CPFL" or "the Company") was incorporated in UK.

The registered office of the Company is situated at Unit 8, Atley Way, North Nelson Ind. Estate, Cramlington, United Kinadom NE23 9WA.

CPFL is in the business of manufacture and sale of precision forged (warm) components for application in heavy vehicles for on-highway and off-highway applications.

2 Basis of Preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed by Ministry of Corporate Affairs under Companies (Indian Accounting Standards) Rules, 2015, provisions of the Companies Act 2013, to the extent notified, pronouncements of the Institute of Chartered Accountants of India.

The financial statements of the Company have been prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Carrying value of Plant, Property and Equipment, Investment Property under the Previous GAAP has been considered as the deemed cost for the purpose of transition to Ind AS.

3 Summary of accounting policies

3.1 Overall considerations

The financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

3.2 Foreign operations

In the Company's financial statements, all assets, liabilities and transactions in GBP are translated into INR. The functional currency (GBP) of the Company has remained unchanged during the reporting period.

Assets and liabilities have been translated into INR at the closing rate as at the reporting date. Income and expenses have been translated into INR at the average rate over the reporting period. Exchange differences are charged or credited to Other Comprehensive Income (OCI) and recognized in the currency translation reserve under equity.

3.3 Revenue

(i) Sale of products

Income of the Company is derived from sale of products and is net of any sales returns, rebates, discounts

Notes to financial statements (Contd.)

and trade discounts. Revenue is recognized when the Company has transferred to the buyer the significant risks and rewards of ownership, which normally takes place upon delivery of goods to customers.

3.4 Property, plant and equipment

As there is no change in the functional currency as at the date of transition, the Company has elected to adopt the carrying value of Plant property and equipment under the Previous GAAP as the deemed cost for the purpose of transition to Ind AS. Capital work in progress, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

(i) Buildings and other equipment

Buildings and other equipment (comprising plant, fittings and furniture, vehicles etc.) are initially recognized at acquisition cost, including any costs directly attributable to bringing the assets to the location and condition necessary for them to be of use for company's business purposes. Buildings and other equipment are subsequently measured at cost less accumulated depreciation.

Depreciation is recognized on a straight-line basis, over the useful life of the buildings and other equipments. In respect of these assets, the useful life is detailed below:

3.5 Leases

(a) Assets taken on lease

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term, unless the lease transfers ownership of the underlying asset to the Company by the end of the lease term or the cost of the right-of-use asset refl ects that the Company will exercise a purchase option. In that case the right-of-use asset will be depreciated over the useful life of the underlying asset, which is determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

TRANSLATED FINANCIAL STATEMENTS

Notes to financial statements (Contd.)

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, if the Company changes its assessment of whether it will exercise a purchase, extension or termination option or if there is a revised in –substance fixed lease payment.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the statement of profit and loss if the carrying amount of the right-of-use asset has been reduced to zero. The Company presents right-of-use assets and lease liabilities separately on the face of the balance sheet

3.6 Financial instruments

Recognition, initial measurement and derecognition

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Trade receivables are recognised at their transaction value as the same do not contain significant financing component.

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased in the normal course of business. They are recognised at their transaction value as the same do not contain significant financing component.

Classification and subsequent measurement of financial assets:

For the purpose of subsequent measurement, financial assets are classified and measured based on the entity's business model for managing the financial asset and the contractual cash flow characteristics of the financial asset at:

- Amortised cost
- Fair Value Through Other Comprehensive Income (FVTOCI) or
- Fair Value Through Profit or Loss (FVTPL)

Notes to financial statements (Contd.)

3.7 Inventories

Inventories are valued at lower of cost or net realizable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale. Cost is ascertained on weighted average basis in accordance with the method of valuation prescribed by the Institute of Chartered Accountants of India.

(a) Raw materials

Raw materials are valued at cost of purchase net of duties (credit availed w.r.t taxes and duties) and includes all expenses incurred in bringing the materials to location of use.

(b) Work in process and Finished Goods

Work-in-process and finished goods include conversion costs in addition to the landed cost of raw materials.

3.8 Income taxes

Tax expense is recognized in the statement of profit or loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred income taxes are calculated using the liability method on temporary differences between tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at reporting date. Deferred taxes pertaining to items recognised in other comprehensive income are disclosed under the same.

Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future tax liability. This is assessed based on the Company's forecast of future earnings, excluding significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit.

3.9 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and deposits held at call with banks.

Notes to financial statements (Contd.)

3.10 Equity, reserves and dividend payments

Share capital represents the nominal (par) value of shares that have been issued and fully paid up.

Retained earnings includes all current and previous period retained profits.

All transactions with owners are recorded separately within equity.

Dividend paid to equity shareholders is deducted directly from equity component.

3.11 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

Retirement benefits

Contributions in respect of the company's defined contribution pension scheme are charged to the profit and loss account for the year in which they are payable to the scheme. Differences between contributions payable and contributions actually paid in the year are shown as either accruals or prepayments at the year end.

Government Grants

Deferred government grants in respect of capital expenditure are treated as deferred income and are credited to the profit and loss account over the estimated usefull life of the assets to which they relate.

3.12 Accounting for effect of change in foreign exchange rates

The Assets and Liabilities as at 31th March 2024 has been translated from GBP to Indian Rupees by applying the exchange rate of GBP 1 = Rs.105.03 (2023 GBP 1 = Rs. 101.65). The incomes and expenses has been translated from GBP to Indian Rupees by applying Average interbank exchange rate GBP 1 = Rs.104.09 (2023: GBP 1 = Rs.97). Exchange differences arising out of the translation have been dealt with in accordance with Ind AS 21.

CPFL's Functional Currency is GBP. But these financial statements are presented in Indian Rupees in order to facilitate the preparation of consolidated financial statements by Sundram Fasteners Limited, which is the ultimate holding company of CPFL.

3.13 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents includes cash in hand, cheques on hand, balances with banks in current accounts and other short-term highly liquid investments with original maturities of 3 months or less, as applicable.

3.14 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to interest costs.

4. Significant management judgment in applying accounting policies and estimation of uncertainty

While preparing the financial statements, management has made a number of judgments, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

4.1 Significant management judgment

The following are significant management judgments in applying the accounting policies of the Company that have the most significant effect on the financial statements.

4.2 Estimation of uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

Notes to financial statements (Contd.)

4.3 Useful lives of depreciable assets

Management has reviewed its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technological obsolescence that may change the utility of assets including I.T assets.

4.4 Inventories

Management has carefully estimated the net realizable values of inventories, taking into account the most reliable evidence available at each reporting date. The future realization of these inventories may be affected by market-driven changes.

4.5 Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle.

d) Rights, preferences, restrictions

Equity shares

The Company has only one class of equity shares having a par value of GBP 1 per share. Each holder of equity share is entitled to one vote per share. The Company declares and pays dividends in GBP. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

- e) Bonus Shares/ Buy Back/ Shares for consideration other than cash issued during the period of five years immediately preceding the financial year ended March 31, 2024
 - (i) Aggregate number of equity shares allotted as fully paid up pursuant to contracts without payment being received in cash: Nil
 - (ii) Aggregate number of equity shares allotted as fully paid up by way of Bonus Shares : Nil
 - (iii) Aggregate number of equity shares bought back : Nil

f) Capital Management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern
- to provide an adequate return to shareholders

by pricing products and services commensurately with the level of risk

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Group's capital management is to maximise the shareholder value.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

26 Computation of Ratios

A.	Ratios	Formula	As at / Year ended March 31, 2024	As at / Year ended March 31, 2023	Variance
(i)	Current Ratio	Current assets / current liabilities	0.82	0.68	20.59%
(ii)	Debt-Equity Ratio	Total debt / shareholder's equity	109.96	(2.50)	(4498.40%)*
(iii)	Debt Service Coverage Ratio	Earnings Available for Debt Service / (Interest Payments + Principal Repayments)	5.72	3.36	70.24%*
(iv)	Return on Equity Ratio	Net Profit after Tax / Average shareholder's equity	(208.35%)	(22.73%)	816.63%*
(v)	Inventory turnover ratio	Cost of goods sold / Average inventory	2.92	4.43	(34.09%)
(vi)	Trade Receivables turnover ratio	Revenue from Operations / Average Trade Receivables	10.72	9.07	18.19%
(vii)	Trade payables turnover ratio	Net credit purchase / Average Trade Payables	2.27	2.32	(2.16%)
(viii)	Net capital turnover ratio	Revenue from Operations / working capital	(12.24)	(6.95)	76.12%*
(ix)	Net profit ratio	Net Profit after Tax / Revenue from Operations	8.26%	2.11%	291.47%*
(x)	Return on Capital employed	Earnings Before Interest and Tax/ Capital employed (Equity Share Capital, Other Equity, Borrowings and Lease Liabilities)	34.70%	18.09%	91.82%*
(xi)	Return on Investment	Net Return / Cost of Investment	Not applicable	Not applicable	

B. Explanation for any change in the ratio by more than 25% as compared to the ratio of preceding year:

27 Related party disclosures

Related Parties:

(I) Where Control exists:

(A) Ultimate Holding Company

Sundram Fasteners Limited

(B) Holding Company

Sundram International Limited, UK

(II) Other Related Parties with whom transactions have been entered into during the year :

(A) Fellow Subsidiaries

Sundram Fasteners (Zhejiang) Limited, Republic of China (Subsidiary of Sundram International Ltd, UK)

Sundram International Inc., Michigan, USA

TVS Upasana Limited, Chennai

Sundram Non-Conventional Energy Systems Limited, Chennai

Sundram Fasteners Investments Limited, Chennai.

TVS Next Limited, Chennai (Formerly TVS Infotech Limited)

TVS Next Inc., Michigan, USA (Formerly TVS Infotech Inc)(Subsidiary of TVS Next Ltd.)

^{*} The reason for changes in the above ratios are due to increase in revenue from operations and profit for the year.

Fair value measurement hierarchy

The company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Notes to financial statements (Contd.)
