INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SUNFAST TVS LIMITED, CHENNAI FOR THE YEAR ENDED MARCH 31, 2022.

To the Members of Sunfast TVS Limited, Chennai

Opinion

We have audited the financial statements of Sunfast TVS Limited, Chennai ("the company"), which comprise the Balance Sheet as at 31st March 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for other information. The other information comprises the information included in the board's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the

Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the

audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

3 Summary of accounting policies

3.1 Overall considerations

The financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

3.2 Revenue

Sale of Products

Revenue from sale of products is recognised at the point in time in accordance with the terms of contracts with customers. Income from sale of product is recognised on the basis of bills raised.

There is no significant accounting judgements, estimates and assumptions relating to revenue from contracts with customers.

Revenue from services

Revenue from rendering of services is recognized upon transfer of control of promised services to customers and an amount the entity expected as consideration.

3.3 Financial instruments

Recognition, initial measurement and derecognition

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a party to the contractual rights/obligations of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Trade receivables are recognised at their transaction value as the same do not contain significant financing component.

Classification and subsequent measurement of financial assets:

For the purpose of subsequent measurement financial assets are classified and measured based on the entity's business model for managing the financial asset and the contractual cash flow characteristics of the financial asset at:

- Amortised cost
- Fair Value Through Other Comprehensive Income (FVTOCI) or
- Fair Value Through Profit or Loss (FVTPL)

All financial assets are reviewed for impairment at least at each reporting date. The Company recognise loss allowance for expected credit loss on financial assets measured at amortised cost. At each reporting date, the Company assesses whether financial assets carried at amortised cost are credit impaired. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

3.4 Inventories

Inventories are valued at lower of cost and net realizable value including necessary provision for obsolescence. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and selling expenses. The comparison of cost and net realisable value is made on an item by item basis. The cost of raw materials, components, consumable stores and spare parts are determined using the weighted average method and includes freight, taxes and duties, net of duty credits wherever applicable. Finished goods, including stock in trade and work-inprogress are valued at lower of cost and net realisable value. Cost includes all direct costs including excise duty and applicable manufacturing overheads incurred in bringing them to their present location and condition.

Raw materials

Raw materials are valued at cost of purchase net of duties and includes all expenses incurred in bringing such materials to the location of its use.

Work-in-progress and finished goods

Work-in-progress and finished goods include conversion costs in addition to the landed cost of raw materials.

3.5 Income taxes

Tax expense is recognized in the statement of profit and loss comprises the sum of deferred tax and current tax.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred tax is recognised in respect

of temporary difference between carrying amount of assets and liabilities for financial reporting purposes and corresponding amounts used for tax purposes. Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

3.6 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within 3 months from the date of acquisition and that are readily convertible into known amounts of cash and which are subject to only an insignificant risk of changes in value.

3.7 Equity, reserves and dividend payments

Share capital represents the nominal (par) value of shares that have been issued and fully paid up.

Retained earnings includes current period retained profits.

3.8 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares). For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are considered for the effects of all dilutive potential equity shares.

3.9 Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments.
